Secretary's Report

28 members and guests attended the meeting.
New member - Dan Lawrence

Middleton will be hosting a new bicycle race starting up in August that may need moto support. There was a snafu in ordering the Ironman t-shirts - so if you were a volunteer, don't get your hopes up about ever getting a t-shirt.

Club picnic will be the 1st or 2nd Sunday in August depending on shelter availability. (August 8th)

Slimy Crud movie will debut at Sundance Theater on the day before the May Crud, May 1, I think. (Sold Out!!!!!!)

Jim Harms won the breakfast for next month.
Dennis Maly won the 50/50.

Copies of the GR3 Rally poster will be available at the next meeting.
The GR3 ad should be in the usual magazines soon.

Jim Harms suggested that club members come up with 1, 2, or 3 hour ride routes based around the rally site to printed up for rally attendees.

March meeting and meetings for the foreseeable future will be at the Hilltop Inn.

Sometimes You Just Have to

Sometimes you just have to choose the intersection of 2 great roads as your destination

Sometimes you just have to route an indirect path to your destination and then still try to get there as quickly as you can

Sometimes you just have to let it loose after weeks of commuting 18 miles per day

Sometimes you just have to put on your relaxed fit jeans to haul ass

Sometimes you just have to put on your Deal's Gap t-shirt to relive the glory

Sometimes you just have to let the ride come to you but let it come fast

Sometimes you just have to go 30 over the curve caution sign

Sometimes you just have to pass a Sunday-driving farmer on a double yellow

Sometimes you just have to go triple-digits on a road with only letters in its name

Sometimes you just have to let it loose without your conscience sitting pillon

Sometimes you just have to only use your mirrors for scouting smokies

Sometimes you just have to do things (on 2 wheels) that you won't want to share with your wife

Sometimes you just have to use up 325 miles worth of gas in 225 miles

Sometimes you just have to let it loose when you know 2-up touring with a trailer is in your near future

Sometimes that "sometimes" happens today
